Circular for parents

SNSVM/CIRCULAR/05/2020

Date: 02 May 2020

Dear Parents,

The Coronavirus pandemic and the ensuing lockdown have forced schools and colleges across India to temporarily shut down.

As you are aware that we started providing online classes from last week of March 2020 from Nursery to Std XII to help students to continue their study and shall not feel the boredom and anxiety during locked down. We know that e-learning/ online classes pose a lot of challenges to both teachers and students over technology and access, but together we have overcome all the challenges.

To assess the learning outcome i.e., the evaluation of students' understanding in light of the goals of a lesson or a course, we are going to conduct an online examination/ test, on the syllabus taught till date.

Date of test: Monday, 4th May 2020 to Thursday, 7th May 2020

Classes: IV to X and XII

Subject: All academic subjects

As these tests are compulsory for all students (IV to XII). Therefore, parents are requested to encourage their wards to appear in the same. Schedule of online Examination / Test and other guidelines regarding tests are available on the school website www.snsvm.com. Parents are requested to visit the school website and see the Test schedule.

School request all parents to keep their wards at home till an official intimation is sent from the school via School Website/SMS along with the date of re-joining. Take good care of your ward till we come out of this pandemic.

Happy Learning from home!
