Aiming High

DELHI PUBLIC SCHOOL

DHANBAD

From the Editor

From the Student Editor

It gives me a lot of pride to present before you another edition of the School Annual Magazine.

This editorial work has now become a habit. Collecting, reading, sorting, editing and proof reading have almost become a part of my life, since this process takes quite a lot of my time.

One thing which I have been observing in these last two three years is that the middle school students take more interest in writing, composing and submitting articles for the magazine. The students of the secondary and senior secondary classes are very reluctant to put to use their writing skills. They rather like commenting on the social media. Strange!!

It is high time and we, teachers, parents and elders need to encourage and motivate our children to get back to literary activities like reading, writing, debating, extemporizing, reciting etc. Help them to come out of the virtual world!!

I take this opportunity to thank all the contributors to this magazine. The front cover page has been designed by Devleena Sarkar of class IX E while the back inside and outside covers been designed by Shreya Soni.

It gives me immense pleasure to be a part of this school. The school has been performing well both in the academic and extra-curricular arena. Be it the Board results, Inter-school sports or Inter-DPS competitions, the Dipsites of Dhanbad have always made me highly enthused and confident.

My best wishes to the Editorial Board of Delhi Public School, Dhanbad, for bringing our their franchise of Zenith 2017 and giving an opportunity to showcase the literary talent of the students.

I wish a successful year ahead and happy reading!

Dear Readers,

It is heartening to note that the Annual Magazine is going to be published. It has always been very enriching both in content and quality. I wish 'Zenith' a long life of successive publication.

With best wishes,

EXPLORE, DREAM, DISCOVER - Mark Twain

Understanding young minds is our forte. We believe that every soul has a different identity. We respect every child's individuality and help them to nurture to their fullest potential. Our children have been able to leave their imprint in the path they have walked through and our school has carved a niche of its own in the educational hub.

To channelize the creative aspect of a child, the school has come up with Zenith, the School Magazine. It gives an insight into the thoughts and creativity of our students through varied expressions. This magazine is a true reflection of the efforts, ingenuity and versatility of our students. In an evolving educational scenario, each must understand that education is an individual as well as a collective effort to serve our nation, bringing out the best in the coming generation '**where the head is held high**' and '**mind is without fear**'. Let our children grow as responsible global citizens - a generation of eminent thinkers, excellent planners, having innovative execution, ability to resolve the future challenges in a world, where the changes are too fast. So, let us **Explore, Dream and Discover!**

Session 2015-2016 concluded with grace and glamour. The co-scholastic domain was soaked in sunshine bliss. The flavor of attainment was ambrosial. Shefali Rani Kujur-NCC-Junior Wing, traversed meandering courses to make a national presence in the Republic Day Parade. She was the only one from Bihar-Jharkhand. The school achievement was brushed with different shades of chrome. Abhishek Anand, Std XII (2014-2015 AISSCE) Science Topper with 98.8% now a Guwahati IITian was in the special invitee list for a tete-a-tete in PM Office on Prajatantra Diwas-2016.

Anoushka Jha and Sarvagya Dwivedi were two National Level Master Spellers in the Wiz Spell Bee Competition held at Kolkata. Abhishek Shukla added another feather by bagging the State 1st Rank in National Talent Search Examination. This was arista. In the 23rd National Children's Science Congress, an initiative by Science for Society, under the Ministry of Science and Technology, DPS made to National final at Chandigarh and brought pride for the school and the state.

The week-long stay of 80 students and 10 teachers at Rikhiya Ashram was a journey to the 'Island of Spirituality'. It was refreshing and rejuvenating.

We look forward to the new session with new zeal and enthusiasm!

I wish every reader a pleasant reading.

Best wishes

Mrs. Sharmila Sinha

• *The Headmistress Speaks*

I am really pleased to connect with my students through this page. Nothing is more gratifying than seeing the latent talents of our students unfold through the pages of ZENITH.

Expressing yourself through words or painting your imagination on a canvas isn't just a great art but also a great relaxation .It pulls you out from the monotony to a much fuller world and a satisfying self.

Also expressing your thoughts,imagination or wishes becomes easier,if you have a good reading habit.Reading experience flings open many windows.It easily turns mirrors into windows!Cultivate the magical habit of reading and writing as early as possible.

I wish all my students wonderful moments of going through the pages of Zenith!
